Faces of Wrongful Conviction Symposium Special Issue

The *Golden Gate University Law Review* is publishing a special symposium issue to commemorate the Faces of Wrongful Conviction conference held in April 2006. This issue highlights the problem of wrongful conviction and the injustices that pervade the death penalty system. **This issue features articles by conference panelists and participants, as well as scholars and practitioners working to improve our criminal justice system.**

**is offering this revealing and
thought-provoking special issue for
\$15—shipping included!**
